GLEN MOULTON 1911

I was born of parents I have always been proud of, Hyrum Moulton and Mary Catherine Hicken. I came to this life on April 12, 1911 and had the pleasure of being raised in a home with six brothers and sisters who have always been a great comfort to me.

After I graduated from High School I went to Salt Lake and went to business school.

I married Rachel Johnson of Springville, Utah on August 23, 1939. We lived in Salt Lake for a few years but spent most of our lives in Heber. We were blessed with six children, five boys and one girl. They have been a great joy to us. I have always worked in the church as a ward clerk, in the bishopric, ward high priest leader, ward genealogy examiner and family genealogist.

These experiences and the studies I have made testify to me through the spirit that the church is true and if we live in accordance with its teachings we will again have the privilege of being in the presence of the Lord in the eternal life to come. I am so thankful for my

family and all the blessings in life.

Glen died on February 5, 1985 after suffering from bone cancer. Glen always set a good example of honesty, of kindness, love and patience. He is remembered with much love among his family and friends.
